

Dear Sponsor,

I am a young athlete seeking to excel in the sport of volleyball to help further my post-high school education and career. I have a unique opportunity to participate in a travel volleyball club which will raise my level of play to its maximum potential. The organization's name is Palm Beach Juniors, a 501c3 non-profit organization, which has been supporting local athletes grow both in the sport and promote high expectations of character since 1997. Palm Beach Juniors is a Gold Seal member of the Florida Region of United States Association in Volleyball (USAV) and a member in good standing of the Amateur Athletic Union (AAU.)

Through these two national organizations, volleyball tournaments are held and at these tournaments the vast majority of college recruiting takes place. In addition, club volleyball is an important feeder program for the United States Olympic Team. Last year Palm Beach Juniors sent several teams to the USAV Junior Olympic National Championships!

Through club volleyball we are taught to be leaders on and off the court. My hope is to receive enough sponsors so that I may participate with my team in the club experience and excel to my fullest potential. In doing so, my long term goal is to earn scholarship opportunities and advance my education as a student athlete.

Thank you in advance for your consideration to help this student athlete pursue an avenue to further their education. It is because of businesses and individuals like you, we as the leaders of tomorrow will be able to compete and excel.

Sincerely,

Palm Beach Junior's EIN: 65-0935388
